Hi Jim,

The trial date on this case and the co-defendant [REDACTED] was moved to 2/10/2010. In the meantime the defense attorney filed a discovery motion which was allowed and the compliance date is 12/29/2009. The court has ordered me to provide the following information about your training and testing methods by 12/29:

[REDACTED]

If any of these items are confusing, let me know. I'm literally typing out the defense attorney's motion. If you do not have certain items of information, please let me know who else I should contact in the lab to get this information. I do apologize for this. I did object to the motion, arguing that all of this could be fleshed out at a voir dire examination of you but the judge didn't buy it. If you have any questions, please call me at (413) 538-7152 X12. I appreciate your cooperation.

Thank you.

Sincerely,  
Anne Yereniuk
